A Stephen and Marylyn Pauley Seminar in Sustainability

Moving from Planning to Practice: Next Steps for Livable Communities

- institutionalize the coordination between land use decisions and public health
- strategies for communities to remove barriers to smart growth

Dr. Richard J. Jackson, M.D., M.P.H.

Thursday, November 2, 2006, 6:00 p.m.
John A. Burns School of Medicine, 3rd floor auditorium
651 Ilalo Street, Honolulu, HI 96813

Dr. Jackson is a professor at the School of Public Health and adjunct professor of the City and Regional Planning at the University of California at Berkeley. He is a former director of the Centers for Disease Control and Prevention’s National Center for Environmental Health. In 2005, Dr. Jackson was elected to serve on the Board of Directors of the American Institute of Architects. He also co-authored the book Urban Sprawl and Public Health.
